

THE CHARLEROI MAIL

VOLUME XXI—No. 32

CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA TUESDAY, JULY 13, 1920

TWO CENTS

TO DISCUSS IMPROVEMENT OF LINCOLN AVE. EXTENSION

**Council Members Will Look
Over Maple Creek Sec-
tion This Evening**

MEET LATER FOR DISCUSSION

Members of the local borough council will make a personal inspection of Lincoln Avenue extension this evening, and later meet at the borough council chamber to discuss ways and means for the improvement of the Charleroi end of this important highway.

Many complaints have been made of late by automobile and truck drivers about the condition of the brick pavement on Lincoln Avenue, which has been growing steadily worse from week to week, until at the present time it is in very bad condition.

The county is improving the Bentleyville road from Oakland Park to the Bentleyville borough line, while the State Highway Department is repairing that portion of the same highway from the borough line on to the twin bridges. The county is using concrete paving in its work, while the State Highway Department is using macadam. When both of these projects are finished it will place the Bentleyville road from the Charleroi borough line to the Bentleyville borough line in good shape. However, that portion of the highway in Charleroi will remain in a deplorable condition, and it is for the purpose of getting a first hand view of the street, as well as considering ways and means for its improvement that members of council will make the inspection and later hold a meeting.

Citizens generally hope that some means can be found whereby the work of improvement can be taken up and pushed through this summer.

**FORMER RESIDENT
DIES IN WEIRTON**

Word was received in Charleroi this morning of the death of a former resident, Mrs. Lottie Stickel Culler, wife of S. H. Culler, at Weirton, W. Va. She is survived by her husband, two sons and mother. The funeral will be held from the late home on Wednesday. Interment at Paris, Pa.

**BELLE VERNON MERCHANTS
TO TAKE HALF HOLIDAY**

The merchants of Belle Vernon have fallen in line with other towns and have agreed to close their places of business each Wednesday afternoon until September 15. Included in the closing are not only the dry goods and clothing stores, but the drug stores, groceries and ice cream parlors.

Fred Schempp, who is with the J. L. Smith Realty company of Akron, Ohio, arrived home last evening for a short vacation. If plans now under way mature Mr. Schempp may remain in Charleroi for the summer.

LOCK NO. 8 NOW OPEN TO TRAFFIC

Lock No. 8, just below Point Marion on the Monongahela, was opened to traffic on Monday, after having been closed for repairs and improvements for practically two months. In addition to repairing all four of the gates and the valves, both upper and lower mitre sills and guard walls have been lowered two feet. This change, permitting the loading capacity of craft going through the lock, will meet the approval of everyone interested in river transportation and relieve the situation somewhat until additional adjustments have been made. These adjustments, it is said, will mean the removing of the present lock and the construction of a new one further down the river. This plan will also eliminate the need of Lock 7, the normal pool level being retained by an increase in the height of dam No. 6.

**FEARED MAN WANTED TO
MAKE AWAY WITH HIMSELF**

Mike Costa, who lives at 817 Lookout Avenue, was placed in the borough lockup this forenoon for an examination pending his sanity. Costa was found by the mine foreman in some of the abandoned workings of the Warner mine this morning up to his waist in water, and acting as though he intended to do away with himself. He was put out of the mine but later was found again in the same place. The man was turned over to a truck driver, who brought him to the borough lockup and had him retained. Costa has a wife and two children.

**LOCAL DEEDS ARE
PLACED ON RECORD**

Two recent transfers of real estate are noted in Charleroi, one dated June 9, 1920, in which David M. McCloskey and others transfers to Willis J. McCook a lot on Crest Avenue and Sixth Street, consideration \$13,500. And another dated May 29, 1920 in which the Union Trust company of Pittsburg transfer to C. L. Page of Charleroi a lot fronting 97.62 on Lookout Avenue, consideration \$1,450.

Notice.
Six cows came to my place over a week ago and I cared for them since that time. The owner of same is notified to call for them and pay the expense incurred.

Jacob Body.
Monongahela Road, between Charleroi, and Monongahela. 33-12p

Maccabees Take Notice.

There will be a special meeting on Tuesday, July 13th, at 7 o'clock sharp in the Hall, corner Eighth Street and Lookout Avenue. All members are urged to be present.

By order of Commander.

ATTEMPT TO FORCE STOCKS ON PEOPLE

Continued forcing of the telegraph and telephone to Donora for the purpose of selling oil and other stocks has now progressed on the part of Pittsburgh brokerage house to the point where they seem to be making the sales in advance and then coolly wiring the uninformed citizen to send them a check to cover the amount.

A recent case in point was when A. J. Gallatin of Donora received a telegram one day last week, informing him that five hundred shares of Louisiana Mutual had been purchased for him and asking him to forward a check to cover the amount of the purchase.

Mr. Gallatin denied having made the purchase and said that if the firm expected him to forward money as requested they were sadly mistaken. It is said that Mr. Gallatin is only one of many to receive such telegrams but the citizens of Donora are wise to the situation and are not taking the bait as hoped for by the brokers who appear to be pushing their business by questionable methods.

NO MOVE YET MADE TO START IMPROVEMENT OF UP-RIVER ROAD

**COAL DEAL INVOLVES
A PRICE OF \$289,500**

Through a deal closed last Friday William P. Stillwagon and others of Connellsville, together with New York and Pittsburgh interests, have purchased 193 acres of Connellsville coking coal from the Fredmont Coal company, near Cheat Haven. The price was \$289,500, or approximately \$1,500 an acre. Trucks will be used to handle 20 cars of coal output daily. Contracts have already been closed for equipment, power and houses. The cost has been estimated at \$125,000.

SOME DOUBT AS TO WHO KILLED MOKI

As to whether it can be finally fixed that William Tobin fired the bullet which killed Alex Moki near Tobin's residence on Eight Street in Donora two weeks ago, there seems to be considerable doubt arising at this time in gossip concerning the case, and it is considered likely that the evidence may fail to show conclusively that Tobin was responsible for the death.

Friends of the dead man may have told many varying stories and the forefinger who was with Moki either at the time of his death or shortly before, and who was picked up in a drunken condition seems unable to give any clear account of what really happened prior to Moki's body being found on the Tobin premises. Tobin himself believed that one bullet fired from his window toward the chicken house on the night of the killing may have hit Moki, but there are other persons who are openly declaring there is a serious question as to what really happened. Moki and his companions had been drinking, it is pretty clearly shown, and there had been gambling going on during Sunday afternoon.

Another story told is that Moki had bought chickens and was at the Tobin home for the purpose of getting these chickens. As it was after the midnight hour, this story is not expected to hang together.

**MARRIED THIS MORNING
IN ST. JEROME'S CHURCH**

Henry J. Lindner, son of Joseph and Catherine Lindner of Ford City, and Miss Jennie Schmalbach, daughter of Leonard and Augusta Schmalbach, of Washington Avenue, were married at 9 o'clock this morning in St. Jerome's church. Rev. Father Fries officiating, with nuptial high mass. The double ring ceremony was used. Charles A. Delcroix of Ford City and Miss Clara Schmalbach, a sister of the bride, were the witnesses. Mr. and Mrs. Lindner left later for a trip to Atlantic City, and on their return will reside in Ford City.

Maccabee Outing Elders Park, July 15. 304-1.

Promises Made by Officials

**Still Remain To Be
Redeemed**

NO ACTION LIKELY THIS YEAR

The Washington Observer, in a leading editorial today, is willing to admit that the Finleyville-Library road "is perhaps one of the most horrible examples of what the lack of a patrol system leads to. This three miles of road on which perhaps \$200,000 has already been expended is worse than the worst unimproved road one can conceive of. It stands as a monument of someone's almost criminal neglect."

If there is one road in the county worse than the Finleyville-Library road it is the highway leading from Speers to Roscoe and Coal Center along the Monongahela River. People from this section of the valley have been petitioning and protesting for years to have this piece of roadway improved, and promises galore have been made, both by the state and the county, but up to this date there has been no evidence of any steps taken in that direction.

A few days ago a citizen of Charleroi called attention to the fact that although an enthusiastic road meeting was held early in the spring with reference to this important piece of roadway, at which state and county officials were present, there has been no tangible evidence that any of these officials have moved in the direction of having this important road work done. Some reference was made some time ago to a contemplated action on the part of the railways company with regard to moving their tracks to conform to the plans as prepared by the state, but the citizen pointed out that it takes "more than pictures" to build a road, and while the plans may all be prepared for the improvement of the highway so far no announcement has been made of an effort to get contractors to submit bids on the same.

The Finleyville-Library road is bad, and it should be improved, as it is part of an important artery between the upper valley and Pittsburg, but the Speers-Coal Center is also an important stretch of highway, and one that should receive the immediate consideration of the commissioners and the State Highway Department.

Unfortunately it is not likely that anything will be done this year, which means that people here must put up with unbearable conditions along this road for at least another twelve months. It is time for some one to get busy and make good on the numerous promises already made.

I will collect that rent, positively in advance and guarantee no vacancies. Clyde B. Cope, Real Estate and Insurance, 315 McKean Avenue. 21-1

LUXURIES AND WASTE

The national bill for luxuries set forth by the secretary of the treasury is calculated to make the "drink bill" that used to horrify us before the eighteenth amendment look ridiculous. That amounted to a billion and a half or two billions and we believe that covered tea and coffee as well as alcoholic drinks. Mr. Houston produces a catalogue of luxuries that reaches nearly twenty-three billions for a single year. This is within half or three-quarters of a billion of the costs of the war for two years and seven months, as stated last December by Secretary Glass after deducting what the ordinary cost of government would be without war and also the loans to our associates, which are in a sense investments.

Not only all of these luxuries are indulgences of the appetite. They include some good clothes and expenditures in travel and a couple of billions for automobiles, and three-quarters of one per cent of that last item for works of art and books? They are not mentioned. Is it because the item is too small to be visible? Is it what is called in chemical analysis a "trace"? But tobacco, "soft drinks," "cereal beverages," perfumery, cosmetics, fancy soaps, make the "drink bill" of previous years look contemptible.

The notion used to be that if people did not spend their nickles for beer, their dimes and quarters for champagne they would put the money in the savings bank or invest it in laudable commercial enterprises. But they do nothing of the sort. They go to the "movies" and buy "near beer" and not very near either, and eat candy and smoke cigarettes.

"How I saved a policeman's life"

EVEN THE eggs.
WERE TIRED that morning.
AND THE coffee
DIDN'T FOOL me one bit.
BUT WHEN after breakfast
MY CIGARETTE tasted awful.
IT WAS TOO MUCH
AND A cough started.
AND WALKING to work
I SWORE off smoking.
AND DECIDED to fire
MY OFFICE boy.
BUT JUST before I decided.
TO KILL a policeman.
A MAN passed me.
SMOKING A cigarette.
AND SAY but the smoke.
THAT DRIFTED back.
DID SMELL good.
AND I followed him.
INTO A store.
HE THREW down two dimes.
AND SAID "The same."
AND SO did I.
AND SO I'm still smoking.
AND STILL keep that
OFFICE BOY and I let that
HANDSOME POLICEMAN live.
AND I'M going to boost
THAT MAN I followed.
FOR PRESIDENT or something.
FOR REALLY those cigarettes.
DO SATISFY.

JUST a whiff of that spicy aroma of fine Turkish and Domestic tobaccos will make you hungry for this "satisfy" smoke. There are blends and blends, but none like this one. Chesterfield's blend is a secret and it cannot be copied.

They Satisfy Chesterfield CIGARETTES

RHEUMATISM SO BAD MRS. BLAIR COULDN'T MOVE HANDS OR FEET

Took Reese Formula, Can Now Do Own Work

Mrs. E. T. Blair of Kitts Hill, Ohio, suffered so severely from rheumatism that at times she could not move her hands or feet. She began taking Reese Formula R-11, with such remarkable results that she can now do her own housework.

In speaking of her case, Mrs. Blair said: "I had severe pains in the back, arms, feet and limbs. Several doctors treated me without results. Finally I began taking Reese Formula R-11. Get a bottle of Reese Formula R-11 today from your druggist or from HENNINGS DRUG STORE

LITTLE BOYS AND GIRLS

with little accounts in this bank grow to be big boys and girls with big accounts.

They, their accounts, and we all grow together and the good we can accomplish for ourselves and the community has absolutely no limit.

The sunny faces of our youthful patrons means much to us. We are as much interested in them as we are in the deposits they bring.

Our officers do all in their power to make the children feel at home.

It's dollars to doughnuts—

no man ever smoked a better cigarette at any price!

CAMELS quality, and their expert blend of choice Turkish and choice Domestic tobaccos hand you a cigarette that will satisfy every smoke desire you ever expressed. You will prefer this Camel blend to either kind smoked straight!

Camels mellow-mildness will certainly appeal to you. The "body" is all there, and that smoothness! It's a delight!

Go the limit with Camels! They will not tire your taste. And, they leave no unpleasant cigarette aftertaste nor unpleasant cigarette odor!

Just compare Camels with any cigarette in the world at any price!

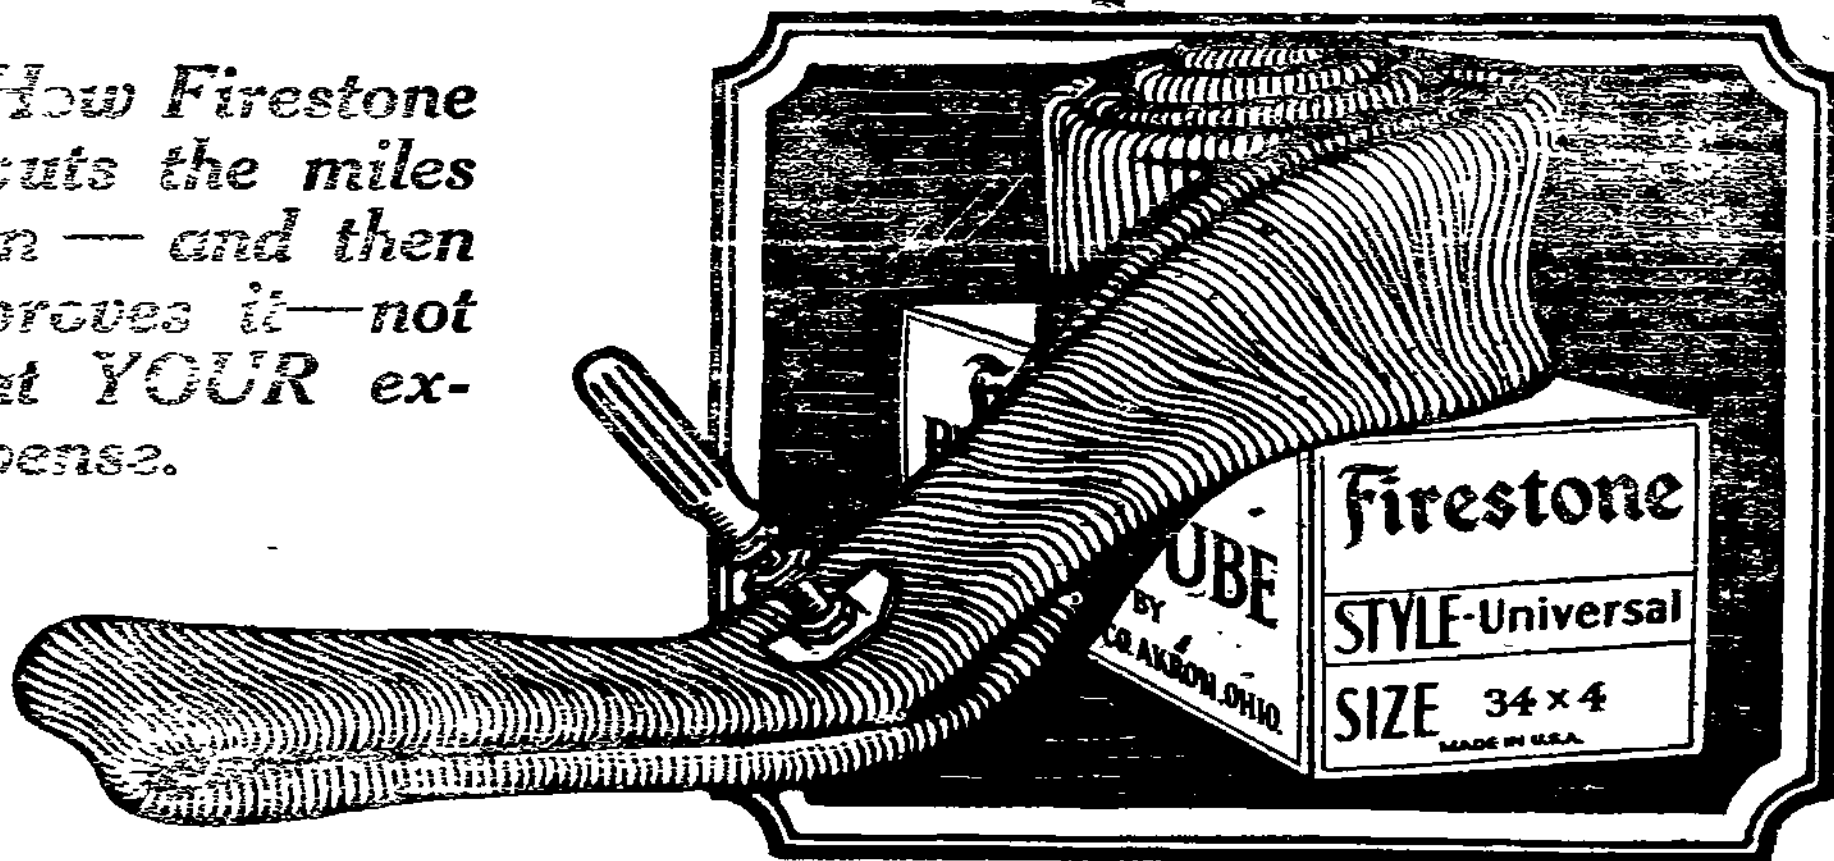

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes, or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

A big-scale road test on 3,200 tubes

How Firestone puts the miles in — and then proves it—not at YOUR expense.

No other tubes in the world are road tested on so big a scale as Firestones. The Yellow Cab Company of Chicago uses Firestone Tubes exclusively on its 800 taxi cabs. The service of these tubes is checked constantly—improvements and developments are arrived at.

By close watching of a large number of tubes in service, not confined to isolated instances, conclusions are accurate and definite.

Firestone puts the best in materials into tubes by establishing purchasing experts at Singapore, center of the world's rubber market. Firestone puts the best in workmanship into tubes by organizing the crack manufacturing organization of the industry on a profit-sharing basis.

And then subjects the finished product to this big-scale road test—in order to get you more for your tube money and more miles out of your tires. And yet Firestone Tubes cost no more than the ordinary kind.

Firestone Tubes
